The screenshot shows the Moodle 'Add new resource' form. At the top, there's a 'Files' section with a PDF icon and the text 'Linux Networking'. Below this, there are several expandable sections: 'Appearance', 'Common module settings', 'Restrict access', 'Activity completion', 'Tags', and 'Competencies'. The 'Activity completion' section is expanded, showing 'Completion tracking' set to 'Show activity as complete when conditions are met', 'Require view' checked with the text 'Student must view this activity to complete it', and 'Expect completed on' set to '18 March 2020' with the 'Enable' checkbox checked. At the bottom, there are three buttons: 'Save and return to course' (green), 'Save and display' (green), and 'Cancel' (red).

1. File sudah berhasil ditambahkan

2. Pilih opsi “Show activity as complete when condition are met”

3. Centang “Student must view this activity to complete it”

4. Tentukan batas tanggal bahan ini harus dibaca (jangan lupa centang “enable”)

5. Klik Save and return to course
